After a brief discussion, the Select Board does not feel this is a problem.

Colin reported that he has installed the guardrail on his property.

Rodney Monahan reported that Tim Emperor spoke with a D.O.T. engineer about having someone come out and take a look at the guardrail. Because the Dewey Hill Bridge project was not state funded, the Town would be charged to have an engineer come out and take a look at it. It was also reported that the D.O.T. engineer stated the guardrail cannot be taken down.

Roxane Shannon asked if the JLMC meetings were public. Tim Emperor stated they were public. Schedule of JLMC Meetings will be posted in 2 public places including the Town Website.

Sue reported that the Attorney Generals Office is scheduled to come to Stark on Tuesday, January 8th between 10:30 - 11:00 to speak with and answer any questions pertaining to the November General Election. All Election Officials are encouraged to attend this meeting.
